A SPECIAL THANKS

To my parish family, our clergy, the medical staff and those unknown to me for their blood donations, for praying me through my first round of treatments and recent hospital stay. I feel truly blessed for your past and future support. Every time someone passed me sitting in the back pew of church, laid their hands on my shoulders and whispered, "You are in my prayers," I truly felt their love and the Trinity's embrace. You are all in my prayers as I undergo my next round of treatments.

Love, Vivian

**Jesus, Master Physician of all times,
Your Divinity did not require a Ph.D.
Eagerly, You resurrected the dead,
restoring the health of the sick.
Be it physical or spiritual
torment, none were a great
obstacle to You: For Your
loving power is omnipotent.
I ask for Your abounding healing love;
Maintain my body and soul vigorous so I
may fulfill my daily functions. The world will
be conquered by You, all affliction will be
dissipated!**
